On the cover... Honoring the work of George Rubin, a long-time Thorncroft supporter and Chairman of the Board since 1983, this year's theme "Passing on the Reins," celebrates the paths led and the new trails that await as he steps down from the Board. Proceeds from this year's event will benefit Thorncroft and the inaugural fund inspired by George's commitment to education, "The Endowment for Teaching Excellence." The endowment will serve to support the instructors, facilitate continuing education opportunities, and develop their abilities to build the physical, emotional, and mental well-being of all people, particularly those with special needs.

We would like to extend our most sincere appreciation to the following for their generous support... Thank You
